

## **Notification for AAAuton Trading Channel Change**

Dear Customer :

Recently, due to reports of losses caused by large-scale cyber attacks worldwide, In order to improve security, Company decided to reduce the number of trading system login channels to reduce the attack target and to consider the customer's Internet use convenience. We are scheduled to reduce AAAuton trading system login channel from the current three to two on February 26, 2018.

Please do not hesitate to contact us if you have any problem.
