

Trading Time of Securities CFD Account Changes Because of Typhoon in Hong Kong

Dear Customers,

Since the typhoon signal No.9 was not lifted, the Hong Kong Stock Exchange suspended trading in the morning. If the typhoon signal No.8 or above is canceled at or before 12:00 pm Hong Kong time, the major products of the Hong Kong Stock Exchange's securities and derivatives markets will resume trading in the afternoon. Otherwise, the transaction will be suspended throughout the day. Therefore, the trading time of HongKong50 Index Futures CFD in securities CFD account will be adjusted synchronously.

Please do not hesitate to contact us if you have any problem.
